**Come joins us to learn more about the schools history,
the evolution of teaching skiing techniques over the years
and celebrate the ski schools 60th anniversary.**

Founded in 1948 ski season the Alf Engen Ski School has been celebrated in SKI Magazine's "Best of the Century" as one of the Top Ten Ski Schools in North America . Alta instructors are some of the most experienced powder, mogul and steep terrain coaches in the USA . Alta Ski Area also has the finest and most experienced group of Telemark "free-heel" instructors found anywhere.
